EXPERIENCES

Travel · Engage · Transform

AMEXTRA Semillas es una de las unidades comerciales del Corporativo AMEXTRA, que tiene como objetivo facilitar experiencias disruptivas, las cuales permiten vivir nuevas perspectivas a personas y grupos, a través de viajes de inmersión a comunidades de Chiapas, Guerrero, Oaxaca y Estado de México; en donde disfrutan de la riqueza cultural y natural, al mismo tiempo que conviven de manera fraterna con las familias locales, buscando siempre un espacio de intercambio, reflexión e introspección para las y los participantes.
